- **9u will play 1 hr & 30 minute game times. 10u & up game times will be 1 hr & 45 minutes. Innings will be completed.**
- **Standings are not kept.**
- **All teams will begin play April 12th**
- **Teams will play on Mondays and also on Wednesdays & Fridays. Most games will be played on Mondays. No Tuesday or Thursday games.**

- **Players may only play for one team in UPG league per age division. Once a player has played a game with a team, that will be his team of record.**

- **League Game Requests: You may submit the request with your payment. Requests are limited to 1 or 2 bad nights for your team. If you have a large request list, this league is not for you.**

- **Once the schedule is written changes will cost your team a game per request. Request after the schedule is posted cause conflicts for many more people (teams) than just your team.**

- **It is not the goal of UPG to make changes to the schedule once it is completed. However, changes happen. Teams should verify their schedule each week.**

- **High Maintenance Parents: We are pleased to be part of the youth baseball experience. Each team has a coach or manager. All communication will be done with that representative. Every season we have 4 or 5 over the top parents that think they are responsible to contact us weekly… That is not how this works. Please leave contact and issues to be worked out between our staff and your team management. Thank you.**
