Coaches: We are pleased to offer you a avenue for your boys to play baseball in the fall. We are proud to be a partner in supplying your young men quality baseball that is about the game and the players. We invite you and your team to play Fall baseball with us. A great place for those boys looking for work.

Why Utah's Premier Game?

We are all about helping you as a coach find quality baseball games while keeping cost reasonably and playing ball with **two** quality umpires on the field.

Two divisions:

9th/ 10th – Scout

9th to 12th grade. – Prep

Tuesday and Wednesday games.

Fall Ball: The Fall Division is for teams on the sub varsity level. The league will play games on Tuesdays & Wednesdays. Teams will play **10 games** in the fall. League play will begin August 21st. Only teams entered by a High School Coach may play in our leagues. We find a lot of players are gone in the UVU or BYU leagues or playing football. Teams are welcome to bring what they have to form a team. All players must be in at least 9th grade. No 8th graders. Please note that teams will be on various levels. We will do our best to match teams up to make games competitive.

League Fee: Cost per team is **\$400.** to be paid to Utah's Perfect Game. This fee covers, 1 dozen baseballs for league play per team, League insurance, arbiting of umpires and online scheduling.

Secondary Cost. League games will pay out \$65 per game, with a total of 10 games = **\$650.** Due to many districts having issues with summer and secondary accounts, teams will be required to pay the \$900 fee to UPG and we will cover umpire payments.

Total Cost is \$1050.00
