**matt@upgbaseball.com**

**Note: Two divisions** will be offered. Double and Triple A. You may suggest what division you desire. Teams that have not played on a Triple A level are encouraged to play in the Double A division.

**Post Season Tournament:** We will hold a true double elimination tournament. **Your league game schedule will show 10 or 16 games.** Your first two bracket games will complete your game count. Winning in the bracket will get you extra (free games). Tournament play will begin May 20th & 22nd and May 29th & 31st. We cannot work around team trips or events for the tournament. We will plan to

play the posted four days. June will find most players joining high school summer teams.

Only changes will be if we have rain the week of the tournament.

Players must play in at least 6 league games to be eligible for the post season tournament. Don't cheat, teach the boys truth and good life lessons.

Players may only play for one team in UPG league and tournament. Once a player has played a game with a team, that will be his team of record.

**League game requests.** You may submit the request with your payment. Requests are limited to 1 or 2 bad nights for your team. If you have a large request list, this league is not for you. Once the schedule is written changes will cost your team a game per request. Request after the schedule is posted cause conflicts for many more people (teams) than just your team.

It is not the goal of UPG to make changes to the schedule once it is completed. However, changes happen. **Teams should verify their schedule each week.**

High Maintenance Parents: We are pleased to be part of the youth baseball experience. Each team has a coach or manager. All communication will be done with that representative. Every season we have 4 or 5 over the top parents that think they are responsible to contact our office weekly... That is not how this works. Please leave contact and issues to be worked out between our staff and your team management. Thank you.
